MEMORY FOAM BOTH CUSHIONS

— WITH VELVET —

Premium memory foam in both head & lumbar cushions molds to your body while soft velvet delivers a smooth, luxurious feel.

HEAD & NECK SUPPORT

High-density memory foam cradles your head and neck, relieving pressure for hours of gaming or working.

LUMBAR SUPPORT

Ergonomic memory foam supports your lower back, promotes healthy posture, and reduces fatigue.

HEAD & NECK PILLOW

Premium memory foam adapts to your head for personalized comfort.

Reduces neck strain and supports natural head position.

Soft velvet cover is smooth, breathable and gentle on skin.

LUMBAR CUSHION

Memory foam contours to your lower back for optimal support.

Encourages healthy sitting posture and reduces discomfort.

Velvet cover adds a touch of luxury and all-day comfort.

WHY YOU'LL LOVE IT

SLOW REBOUND MEMORY FOAM

Contours to your body and slowly rebounds for lasting comfort.

SOFT VELVET FINISH

Smooth, luxurious feel that's breathable and skin-friendly.

BUILT FOR DURABILITY

High-quality materials maintain shape and support over time.

ALL-DAY COMFORT

Experience superior support during long sessions.

Memory foam support where you need it most.

Comfort that lasts. Performance that stands out.

HIGH DENSITY FOAM MODULE

Engineered for Maximum Comfort.
Built to Last.

Superior Comfort. Long-Lasting Support.

PREMIUM HIGH DENSITY FOAM

Our high density foam module is designed to deliver exceptional comfort, support, and durability for long hours of use.

Optimal Support

Maintains posture and reduces fatigue.

High Density Foam Core

Provides deep cushioning and lasting support.

Durable & Resilient

Retains shape even after years of use.

LONG-LASTING COMFORT

Designed to stay firm and supportive over time.

PERFECT BALANCE OF SOFT & FIRM

Just the right feel for all-day comfort.

PREMIUM MATERIALS

High-quality foam for superior performance.

BUILT FOR EVERYDAY USE

Ideal for gaming, work, and relaxation.

FEEL THE DIFFERENCE

OUR HIGH DENSITY FOAM

Retains shape & provides strong support.

ORDINARY FOAM

Loses shape & feels uneven.

FROG MECHANISM

Engineered for Comfort. Built for Control.

Smooth. Stable. Adjustable.

WHAT IS A FROG MECHANISM?

The frog mechanism connects the seat and backrest, allowing independent movement and angle adjustment for enhanced ergonomics and all-day comfort.

SYNCHRONIZED TILT CONTROL

Enables the seat and backrest to move together for a natural reclining experience.

MULTI-POSITION LOCKING

Lock your chair at the perfect angle for focus, relaxation, or anything in between.

TILT TENSION ADJUSTMENT

Easily adjust the resistance to match your body weight and preference.

DUAL LEVER SYSTEM

Intuitive side levers for smooth height adjustment and tilt locking control.

BUILT FOR PERFORMANCE

HEAVY DUTY STEEL FRAME

Provides unmatched strength and long-lasting durability.

SMOOTH & PRECISE

Engineered for seamless motion and reliable performance.

QUIET OPERATION

Enjoy silent, distraction-free movement while you work or relax.

TESTED FOR RELIABILITY

Rigorously tested for safety, stability, and long-term use.

Experience total control and custom comfort with the advanced frog mechanism.

PREMIUM BLACK & GOLD UPHOLSTERY

Luxury in Every Detail. Comfort in Every Moment.

Crafted for Elegance. Designed for Performance.

DESIGNED TO IMPRESS. BUILT TO COMFORT.

Our premium black and gold upholstery combines style, durability, and plush comfort — making every session feel extraordinary.

LUXURIOUS BLACK FINISH

Sleek, modern look that stands out in any setup.

ELEGANT GOLD STITCHING

Precision stitching for a refined and premium touch.

PREMIUM PU LEATHER & MICROFIBER

Soft, breathable, and wear-resistant for long-lasting comfort.

BUILT TO LAST

High-quality materials that resist fading, cracking, and peeling.

EMBROIDERED GT LOGO

Finely embroidered for a bold and premium look.

PLUSH LUMBAR SUPPORT

Soft microfiber cushion provides extra support and all-day comfort.

DIAMOND QUILT DESIGN

Adds a touch of luxury while enhancing breathability and comfort.

PREMIUM FEEL. PREMIUM EXPERIENCE.

Every stitch, every curve, and every detail is crafted to deliver a perfect blend of luxury, comfort, and performance.
